## EXPERIENCE

### Self-Developed, E-Market Project

2024/10 – present days

Developed an online marketplace application with features for user cards, locations, news, promocodes, and branch management.

- **Technologies Used:** Go, PostgreSQL, Redis, Gin, Swagger
- **Role:** Designed and implemented backend infrastructure, including Swagger documentation. Improved performance and scalability through efficient data handling and caching techniques.

### Self-Developed, To-Do App

2024/09 – 2024/10

Created a task management application allowing users to organize, track, and manage tasks.

- **Technologies Used:** Go, gRPC, PostgreSQL, Redis
- **Role:** Built backend APIs, implemented notification mechanisms, and optimized system performance for scalability.

### Self-Developed, Blog Site Project

2024/08 – 2024/09

Developed a blogging platform for creating, managing, and sharing blog content.

- **Technologies Used:** Go, gRPC, PostgreSQL, Redis
- **Role:** Designed and developed the backend architecture, incorporated advanced caching mechanisms, and ensured smooth user interactions.

## SUMMARY

Motivated backend developer with expertise in the Go programming language and backend technologies. Skilled in developing efficient, scalable systems and collaborative team environments. Experienced in creating RESTful APIs, optimizing system performance, and delivering results under tight deadlines.

## SKILLS

**Programming Languages:** Go, JavaScript, HTML, CSS

**APIs:** RESTful APIs using gRPC

**Databases:** PostgreSQL, MongoDB, Redis

**Technologies:** Docker, gRPC, RabbitMQ, Kafka

**Frameworks:** Gin

**Other:** Codebase optimization, performance tuning, Swagger documentation

## EDUCATION

**HAAD Academy:** Cybernation  
(December 2023 – March 2024)

**HAAD Academy:** Go Backend Development Course (April 2024 – October 2024)

**Bachelor's:** Tashkent State University of Economics  
(2023/09 – 2028/06)

## LANGUAGES

**Uzbek:** Native

**English:** Professional working proficiency (IELTS 5)

**Russian:** B1

**Tajik:** B2
